

Annual Pedagogical Plan for Leading Learning

School Name: BML MUNJAL GREEN MEDOWS SCHOOL

District- Haridwar

State- Uttarakhand

Affiliation / UDISE Number: 3530431

Academic Session: 2025-26

Principal's Name: Ms. Jaspreet Obhrai

School's Vision Statement:

To provide value based high quality education to the children in a manner which enables them to realize their true potential and face the challenges of life confidently. To create a homogeneous environment among students and teachers, to adopt latest technologies as a result of which the students attain fruitful skills and also aspire to become healthy and responsible citizens.

School's Values:

To nurture value based student leaders by encouraging innovation and inquiry among them to have a positive impact on society. We believe that each child is unique and needs to be understood, respected, admired and accepted as a precious gift of life. We facilitate learning as a natural process, value questions above answers, creativity above facts, individuality above conformity and excellence above performance.

Areas of strengths

- Integration of technology in teaching has improved as teachers have actively incorporated digital tools, and AI-powered resources to enhance student engagement and learning outcomes.
- Continuous Professional Development of teachers is deeply embedded as a practice in our school to ensure that the teachers are skilled and updated.
- Student-led initiatives have seen growth, with more students taking the lead in projects, discussions, and inquiry-based learning activities, fostering leadership and problem-solving skills.

Areas of improvements

- Data-driven decision-making needs further strengthening, as teachers require more structured support in using student performance data effectively to personalize instruction and design interventions.

Descriptor 1: Engaging in Teachers' Professional Development

Step 1	Step 2	Step 3		Step 4	Step 5
Where are we now as a school?	What do we need to do in the coming year?	How will we achieve what we want to do?	Who is responsible?	What is the timeline for implementation?	What will the impact look like?
<p><i>Create opportunities for continuous and comprehensive professional learning.</i></p> <ul style="list-style-type: none"> Professional Development Modules are not developed. 	<ul style="list-style-type: none"> Professional development modules will be developed. 	<ul style="list-style-type: none"> Professional development modules will be developed, by using technology solutions. 	Principal, Professional development committee	<ul style="list-style-type: none"> By the end of September 2025. 	<ul style="list-style-type: none"> Professional Development Module will help teachers shift practice from being teacher centric to student centric.
<p><i>Empower teachers to become agents of change.</i></p> <ul style="list-style-type: none"> All teachers are not adept at undertaking Action Research. 	<ul style="list-style-type: none"> Encourage teachers to identify areas of the school where change could be brought through Action Research. Develop teachers' capacity to undertake Action Research. 	<ul style="list-style-type: none"> Undertake PDs on 'What, Why and How of Action Research.' Formalize different groups of teachers for Action Research. Encourage groups to identify any one key problem area and undertake Action Research. 	Principal, PD Committee, All Teachers	<ul style="list-style-type: none"> PDs on 'What, Why and How of Action Research' to be conducted by September 2025. Formalization of different groups by September, 2025. Groups to identify any one key problem area and undertake Action Research by February, 2026. 	<ul style="list-style-type: none"> Shift from Problem oriented approach to Solution oriented approach. Transparency Improved collaboration and decision-making processes A more inclusive and empowering school environment.

Descriptor 2: Initiating Innovations in the School

Step 1	Step 2	Step 3		Step 4	Step 5
Where are we now as a school?	What do we need to do in the coming year?	How will we achieve what we want to do?	Who is responsible?	What is the timeline for implementation?	What will the impact look like?
<p><i>Expand perspectives of teachers to implement innovative pedagogies.</i></p> <ul style="list-style-type: none"> ▪Technology Platforms, tools, gamifications and applications are rarely used. 	<ul style="list-style-type: none"> ▪Empower teachers through PDs to experiment with new ideas and teaching methods. ▪Build a culture where students are engaged and motivated to learn. ▪Make teachers aware of different tools, gamifications and applications available to enhance instructional practices. 	<ul style="list-style-type: none"> ▪Provide professional development that make the teachers aware of different tools, gamifications and applications available to enhance instructional practices. ▪Encourage the use of technology and other innovative tools. ▪Encourage the teachers to explore different technological platforms to implement innovative pedagogies. 	Principal, PD Committee Teachers	Throughout the academic year	<ul style="list-style-type: none"> ▪All teachers will start experimenting with new ideas and teaching methods. ▪Students will be engaged and motivated to learn.
<p><i>Create opportunities for student learning and innovation.</i></p> <ul style="list-style-type: none"> ▪More often than not students are indulged in the discussion of ideas within their subject boundaries. ▪ Occasional use of inquiry-based approaches, which are not consistently integrated into the curriculum planning. 	<ul style="list-style-type: none"> ▪Encourage teachers to hold discussion on ideas that is free from rigid subject boundaries. 	<ul style="list-style-type: none"> ▪Facilitate the development of skills such as questioning, analyzing, and reasoning ▪Encourage multi-disciplinary approach amongst students. 	Principal, teachers, students	Throughout the academic year.	<ul style="list-style-type: none"> ▪Teachers will start incorporating multidisciplinary approach into their curriculum. ▪Students will start thinking in a holistic way rather than just studying in silos.

Descriptor 3: Leading the Teaching-Learning Process

Step 1	Step 2	Step 3	Step 4		Step 5
Where are we now as a school?	What do we need to do in the coming year?	How will we achieve what we want to do?	Who is responsible?	What is the timeline for implementation?	What will the impact look like?
<i>Create a conducive environment for learning.</i> ▪Support Teachers do not undertake research based pedagogical practices	Teachers will start undertaking research based pedagogical practices	Teachers will be guided to understand and undertake research based pedagogical practices.	Principal, PD Committee and all teachers	Throughout the academic year	▪Innovative and research based pedagogical practices will be initiated. ▪Improved student learning.
<i>Encourage teachers to become reflective practitioners.</i> ▪Effective instructional practices are observed among colleagues in own school but not in other schools.	▪Collaboration with other schools.	▪Invitation for collaboration with other schools to be sent. ▪Encourage teachers to collaborate with each other and with other school teachers.	Principal, All teachers	Throughout the academic year	▪Improved collaboration and decision-making processes ▪A more inclusive and empowering school environment
<i>Build teacher competency in using data to inform TLP.</i> ▪All teachers are not adept at designing action research programmes based on the data analysis of student assessment.	▪Assist teachers to learn data analysis. ▪ To ensure that all teachers have the skills to interpret and analyze student data effectively and use it to design action research programmes.	▪ Professional development opportunities for teachers on data analysis and interpretation and Action Research. ▪ Ongoing support for teachers as they use the data to design action research.	Examination Department., Principal, PD Committee and all teachers	The professional development will be offered in the first month of the academic year, with ongoing support throughout the year.	▪ Teachers will be skilled at data analysis. ▪ All teachers will use data to inform their instruction and design action research programme. ▪ Improved student learning outcomes and a greater emphasis on assessment as a tool for improving teaching and learning.

Descriptor 4: Developing a learning culture

Step 1	Step 2	Step 3		Step 4	Step 5
Where are we now as a school?	What do we need to do in the coming year?	How will we achieve what we want to do?	Who is responsible?	What is the timeline for implementation ?	What will the impact look like?
<p><i>Keep the students at the heart of the learning culture</i></p> <p>▪ Vocational skills, art appreciation and physical education are integrated into curriculum but without a structured plan.</p>	<p>▪ Development of a structured plan to integrate pre-vocational and vocational skills, art appreciation and physical education into curriculum.</p>	<p>▪ Teachers to incorporate activities that develop Art appreciation and record it in their Teacher's diary in the allotted section.</p> <p>▪ Teachers to incorporate activities that develop Vocational Skills and record it in their Teacher's diary in the allotted section.</p> <p>▪ Teachers to incorporate activities that develop Physical Education and record it in their Teacher's diary in the allotted section.</p>	Teachers	Throughout the academic year	<p>▪ A holistic learning experience will be fostered, allowing students to explore creative expression, critical thinking, and innovation through art and vocational activities.</p> <ul style="list-style-type: none"> • Physical education will contribute to improved student well-being, promoting a healthy lifestyle, teamwork, and resilience. • A multidisciplinary approach will create a balanced education system where students gain both academic knowledge and essential life skills, preparing them for future career paths.

Descriptor 5: Building an Inclusive Culture

Step 1	Step 2	Step 3		Step 4	Step 5
Where are we now as a school?	What do we need to do in the coming year?	How will we achieve what we want to do?	Who is responsible?	What is the timeline for implementation?	What will the impact look like?
<p><i>Adopt inclusive teaching practices</i></p> <p>Universal Design of Learning is not yet initiated by all teachers</p>	<ul style="list-style-type: none"> ▪ Universal Design of Learning is to be initiated to ensure inclusivity. 	<ul style="list-style-type: none"> ▪ Engage with teachers to deconstruct Universal Design of Learning. ▪ Encourage and provide hand-holding to teachers in the beginning to use Differentiated Instruction and UDL. 	Principal, Teachers, PD Committee	Throughout the academic year	<ul style="list-style-type: none"> • Teachers will use multiple means of representation, engagement, and expression, allowing students to learn in ways that best suit their individual needs. • All students, regardless of their learning styles, abilities, or backgrounds, will have equitable access to learning opportunities, ensuring an inclusive classroom environment.
<p><i>Support student learning</i></p> <p>Individualized learning is occasionally practiced.</p>	<ul style="list-style-type: none"> ▪ Provide personalized learning experiences that meet the needs of each individual student, leading to better academic achievement. ▪ Enhanced opportunities for student-led learning and peer teaching, which can help build a collaborative and inclusive classroom culture 	<ul style="list-style-type: none"> ▪ Assess the learning needs, interests, and abilities of each student to determine appropriate groupings. ▪ Provide ongoing feedback and support to students as they work in groups. ▪ Monitor student progress and modify instructions as needed. 	Teachers	Throughout the academic year	<ul style="list-style-type: none"> • Student participation and engagement will increase as learning materials and assessments become more flexible and personalized. • There will be a noticeable improvement in student confidence, independence, and self-directed learning as they gain autonomy in choosing how they interact with content.
