

ECHOES TWENTY SECOND EDITION

MARCH 2025-26

MANAGER'S MESSAGE

Dear Students, Parents, and Educators,

As we arrive at the close of this academic year, I find myself reflecting with a deep sense of gratitude and admiration for the spirit that defines our school community. The month of March offers us a meaningful pause, an opportunity not only to look back on our journey but also to truly appreciate the growth, effort, and achievements that have shaped it.

I have had the privilege of observing our students evolve steadily, not only in their academic pursuits but also in their confidence, character, and sense of responsibility. Their commendable academic achievements this year stand as a testament to their dedication and sincere effort. The outstanding performance of our students in the SOF Olympiads further highlights their intellectual curiosity, competitive spirit, and pursuit of excellence. I also take great pride in acknowledging those students who maintained full attendance throughout the year. Their consistency, discipline, and commitment reflect values that are essential for lifelong success.

I would like to sincerely acknowledge the dedication and commitment of our teachers, whose guidance continues to inspire excellence and curiosity in every learner. Their tireless efforts ensure that education here goes beyond textbooks and examinations, fostering values, awareness, and well-rounded development. The POCSO awareness session conducted for teachers this month was a significant initiative, reinforcing our commitment to a safe and supportive environment for every child, supported by well-equipped and sensitized educators.

As we stand at the threshold of a new academic session, I believe it is important to carry forward not only the knowledge gained but also the values nurtured along the way. Education, in its truest sense, shapes individuals who are thoughtful, resilient, and prepared to contribute meaningfully to society. I remain confident that with our shared vision and collective efforts, we will continue to create an environment where every child is encouraged to discover their true potential.

Let us step into the coming year with renewed optimism, a sense of purpose, and an unwavering commitment to excellence. I look forward to another year of learning, growth, and shared success.

**Warm regards,
Col. B. S. Kadian (Veteran)
Manager**

PRINCIPAL'S MESSAGE

Dear Parents, Students, and Teachers,

As we arrive at the close of another academic year, the month of March brings with it a sense of fulfillment, gratitude, and quiet pride. It has been a meaningful journey, one filled with learning, growth, and countless moments that have shaped our children into more confident and capable individuals.

I extend my heartfelt appreciation to our students across Pre-primary, Primary, and Secondary wings for their dedication and consistent efforts. Each learner, in their own unique way, has demonstrated progress, resilience, and a true commitment to learning. The commendable performance in the SOF Olympiads further reflects their academic excellence, curiosity, and competitive spirit. I also like to commend students who maintained full attendance throughout the year, demonstrating consistency, responsibility, and a strong sense of dedication.

Alongside academics, our focus on holistic development remained steadfast. The POCSO Awareness session conducted this month was a significant step towards fostering a safe, informed, and responsible environment for our students. Such initiatives empower them with awareness, confidence, and values that extend far beyond the classroom.

As one chapter gently closes and a new academic session begins, we look ahead with renewed hope and enthusiasm. Let us carry forward the lessons learned, the values nurtured, and the aspirations ignited. May the coming session bring fresh opportunities, continued success, and joyful learning for every child.

**Warm regards,
Ms. Jaspreet Obhrai
Principal**

काल का विधान

मनुष्य स्वयं नहीं बोलता,
उसके दिन बोलते हैं;
और जब दिन निःशब्द हो जाते हैं,
तब वाणी का प्रचुरतम विस्तार भी
अर्थहीन प्रतिध्वनि बनकर रह जाता है।

यह संसार शब्दों का अनुयायी नहीं,
यह परिस्थितियों का अनुगामी है;
यहाँ सत्य भी अपने आप में पर्याप्त नहीं होता,
उसे संदर्भों की कसौटी पर सिद्ध होना पड़ता है।

जब समय अनुकूल होता है,
तब मौन भी अभिव्यक्ति का रूप धारण कर लेता
है,

नेत्रों की निस्तब्धता भी
ग्रंथों से अधिक कह जाती है;
परंतु जब समय प्रतिकूल हो,
तब तर्क, प्रमाण और विनय—
सब कुछ निरर्थक होकर बिखर जाता है।

वस्तुतः मनुष्य की वाणी नहीं,
उसका समय ही उसका परिचायक होता है;
वह क्या कहता है?
इससे अधिक महत्वपूर्ण यह है कि
वह किस समय में कहता है।

यहाँ सुनने वाले कान नहीं,
अवसर सुनता है;
और अवसर वही स्वीकार करता है,
जो समय की धारा के अनुकूल होता है।

अतः हे मनुष्य तुम्हें हर पल,
वाणी की चतुरता पर नहीं,

समय की साधना पर ध्यान देना होगा ;
क्योंकि जब समय स्वयं तुम्हारे पक्ष में बोलता है,
तब तुम्हें कुछ कहने की आवश्यकता नहीं रहती।

और जब समय ही प्रतिकूल हो,
तब शब्दों का अपार वैभव भी,
तुम्हारे अस्तित्व को सिद्ध नहीं कर पाता।
इसलिए प्रयास शब्दों का नहीं,
क्षणों के अनुकूलन का होना चाहिए,
जहाँ तुम्हारा अस्तित्व
समय के प्रवाह में समरस हो जाए;
क्योंकि वही क्षण
तुम्हारा सत्य, तुम्हारी वाणी,
और तुम्हारा समस्त प्रमाण बन जाता है।

"In the Language of Hope"

Not every lesson lives in books,
Some shine in smiles and caring looks.
In gentle words, in hands that guide,
In quiet strength that stands beside.
Hope is spoken, soft yet clear,
In "You can try" and "Do not fear."
It lives in patience, grows in time,
In every effort's upward climb.
It whispers through each brave mistake,
In second chances that we take.
For every fall, when met with grace,
Becomes a step, not a disgrace.
So let us speak a kinder tone,
For seeds of hope are widely sown.
And in this language, strong yet kind,
We shape not just hearts but the mind.
Let every classroom, day by day,
Be a place where dreams find way.
For words we choose and care we show
Become the futures that will grow.

The Forest Man of India - Jadav Payeng

In a world where environmental destruction is a growing concern, the inspiring story of Jadav Payeng stands as a powerful reminder of what one individual can achieve with determination and love for nature. Popularly known as the “Forest Man of India,” Jadav Payeng transformed a barren, lifeless land into a thriving forest ecosystem through his relentless efforts.

Born in Assam, India, Jadav Payeng began his journey in 1979 when he noticed that several snakes had died on a sandbar of the Brahmaputra River due to extreme heat and lack of tree cover. Deeply moved by this, he decided to take action. Starting with bamboo plantations, he gradually planted thousands of trees over the years. What began as a small step soon turned into a lifelong mission.

Over the course of more than three decades, Payeng single-handedly created a forest spread across hundreds of hectares, now known as the Molai Forest. His forest is home to a rich variety of wildlife, including elephants, deer, rhinos, and numerous bird species. It has not only restored biodiversity but also helped in preventing soil erosion and maintaining ecological balance in the region.

Despite facing challenges and working without much recognition for years, Jadav Payeng never gave up. His efforts were eventually acknowledged nationally and internationally, and he was honored with the prestigious Padma Shri award in 2015.

Jadav Payeng’s story teaches us that real change does not always require big resources—just commitment, patience, and a sense of responsibility. His life inspires us to take small steps towards protecting our environment, proving that even a single person can make a huge difference.
